Message from Don Chandler, Senior Pastor

Words can not express my gratitude and appreciation for the Central family. I am so proud of you for the way you have ministered to my family and me these past eight months. Today, I am thankful for every prayer, call, text, visit, card, gift and meal that you have sent my way. I am recovering well, so they say. I plan to speak on Wednesday night, August 18 for a few minutes and resume Sunday mornings on August 22. Remember, I have one more message from Jonah! Continue to pray for me during the recovery process and for all the pastors who have done such a great job "standing in the gap" during these trying days.
